

Strandwood Library Birthday Book Club!

Dear Parents,

This year the library is continuing with our birthday book club. Simply donate \$15 to the Strandwood Library and a beautiful, new hard cover book will be given to the library in honor of your child's birthday. The book will be selected by our library media teacher, Mrs. Burns, and it will be presented to your child during his or her library time. A custom-made book plate will be placed inside the book with your child's name and birth date. The books will become part of the Strandwood library collection to be read and enjoyed for years to come. Support the library and give your child a special treat in honor of his or her special day!
